Re: United States v. Rubin Ramirez,  
19 Cr 579(VM)

Your Honor,

As the Court is aware Mr. Ramirez has been out on bail under the following conditions: Home detention secured by electronic monitoring, \$175,000 PRB, secured by 3 co-signers plus all standard conditions. I am now writing with the consent of the Government and Pre-Trial Services to modify the conditions of Mr. Ramirez' release in the following fashion:

- Modify Mr. Ramirez' condition of home detention to a curfew set by Pretrial Services, enforced by a location monitoring bracelet.
- Permitting temporary removal of the defendant's bracelet by pretrial services, to the extent necessary, for the defendant's own or his wife's scheduled medical appointments provided the removal of the bracelet is approved in advance by Pretrial Services.

Mr. Ramirez has been gainfully employed since his release on Bond and has not violated any of the conditions of his release. This modification is necessary for two reasons, the first is the medical condition of his wife, Claudia and Mr. Ramirez' having to help with that care. The second is so he can maintain his employment.

Thank you very much for your prompt attention to this matter.

Most Respectfully,  
  
David Touger, Esq.

**Request GRANTED.** Mr. Ramirez's bail  
conditions are modified as indicated above.

**SO ORDERED.**
